**Technical Data Sheet****COUMARONE**

Manufacture PCW

Reference : COUMARONE

**TECHNICAL DATA**

|                                         |                                                                                                       |
|-----------------------------------------|-------------------------------------------------------------------------------------------------------|
| <i>I.N.C.I. :</i>                       | Acetylbenzofuran                                                                                      |
| <i>IUPAC Name :</i>                     | Benzofuran-2-yl methyl ketone                                                                         |
| <i>Chemical / REACH name :</i>          | Benzofuran-2-yl methyl ketone                                                                         |
| <i>Molecular formula :</i>              | C <sub>10</sub> H <sub>8</sub> O <sub>2</sub>                                                         |
| <i>Origine géographique :</i>           | -                                                                                                     |
| <i>Process :</i>                        | -                                                                                                     |
| <i>Use of the substance / mixture :</i> | Industrial use only                                                                                   |
| <i>End use :</i>                        | Fragrances / Cosmetic                                                                                 |
| <i>Use level max. recom. :</i>          | -                                                                                                     |
| <i>CAS number :</i>                     | 1646-26-0                                                                                             |
| <i>Ref code :</i>                       | CRNE/1                                                                                                |
| <i>Nanomaterials :</i>                  | Does not contain nanomaterials as defined in Regulation (EC) 1223/2009 and Recommendation 2011/696/UE |

**ANALYTICAL DATA**

|                                                        |                                  |
|--------------------------------------------------------|----------------------------------|
| <i>Appearance :</i>                                    | Crystals                         |
| <i>Colour :</i>                                        | White to light yellow            |
| <i>Odour :</i>                                         | Conform to standard              |
| <i>Density at 20°C :</i>                               | -                                |
| <i>Refractive index at 20°C :</i>                      | -                                |
| <i>pH-value :</i>                                      | -                                |
| <i>Boiling point (°C) :</i>                            | 270                              |
| <i>Flash point (°C) (close cup) :</i>                  | >100                             |
| <i>Purity (%) :</i>                                    | [99 ; 100]                       |
| <i>Endocrine disruptors – health and environment :</i> | No contains endocrine disruptors |

**COSMETIC REGULAR DATA**

|                          |                                        |
|--------------------------|----------------------------------------|
| <i>Anti-oxydant(s) :</i> | None                                   |
| <i>Halal status :</i>    | Complies with halal requirements       |
| <i>Statut kosher :</i>   | In compliance with kosher requirements |

# COUMARONE

*Palm oil or palm oil derivatives :* Does not contain palm oil, palm oil derivatives, palm kernel oil or palm kernel oil derivatives.

*Animal testing :* This product was not tested on animals.

*ISO 9235 :* Not concerned

*ISO 16128 :* 0% of natural origin

## **REGULAR DATA FLAVOURS**

*Bovine Spongiform Encephalopathy (BSE) :* Free of BSE/TSE risks.

*Vegan :* Compliant with vegan principles

## **TRANSPORT - HANDLING - STORAGE**

*Custom tariff :* 2932 99 00 90

*Precautions of use :* Avoid any direct contact with the product.

*Shelf life :* 12 months, according to storage conditions

*Storage :* Store at 25°C max. in tightly sealed original container. Avoid prolonged exposure to light, heat and air.
