**Technical Data Sheet****ORANGER FLEUR CONCRETE**

Manufacture PCW

Reference : ORANGER FLEUR CONCRETE

**TECHNICAL DATA**

|                                         |                                                                                                       |
|-----------------------------------------|-------------------------------------------------------------------------------------------------------|
| <i>I.N.C.I. :</i>                       | Citrus aurantium amara (Bitter orange) flower concrete                                                |
| <i>End use :</i>                        | Fragrances / Cosmetic / Flavours                                                                      |
| <i>Use of the substance / mixture :</i> | Industrial use only                                                                                   |
| <i>CAS number :</i>                     | 8030-28-2                                                                                             |
| <i>Indice refraction 20°C :</i>         | -                                                                                                     |
| <i>Ref code :</i>                       | ORC/1                                                                                                 |
| <i>Origine géographique :</i>           | Tunisia                                                                                               |
| <i>Product type :</i>                   | Concrete                                                                                              |
| <i>Nanomaterials :</i>                  | Does not contain nanomaterials as defined in Regulation (EC) 1223/2009 and Recommendation 2011/696/UE |

**ANALYTICAL DATA**

|                                                        |                                                                                          |
|--------------------------------------------------------|------------------------------------------------------------------------------------------|
| <i>Description :</i>                                   | Concrète obtenue par extraction et concentration à partir des fleurs fraîches d'oranger. |
| <i>Appearance :</i>                                    | Solid (cream)                                                                            |
| <i>Colour :</i>                                        | Dark brown                                                                               |
| <i>Odour :</i>                                         | Warm, floral, slightly green                                                             |
| <i>Flash point (°C) (close cup) :</i>                  | >62                                                                                      |
| <i>Optical rotation (°) :</i>                          | -                                                                                        |
| <i>Peroxides value mmol/kg :</i>                       | -                                                                                        |
| <i>Boiling point (°C) :</i>                            | -                                                                                        |
| <i>Density at 20°C :</i>                               | -                                                                                        |
| <i>Refractive index at 20°C :</i>                      | -                                                                                        |
| <i>Endocrine disruptors – health and environment :</i> |                                                                                          |

**COSMETIC REGULAR DATA**

|                         |                                                                                                                                                     |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Statut kosher :</i>  | In compliance with kosher requirements                                                                                                              |
| <i>Halal status :</i>   | Complies with halal requirements                                                                                                                    |
| <i>ISO 9235 :</i>       | This product is a 100% natural essential oil obtained by physical processes only from a botanical source. Complies with the ISO 9235:2013 standard. |
| <i>ISO 16128 :</i>      | The Natural Index is: In= 1. The Natural Origin Index is: Ino= 1.                                                                                   |
| <i>Animal testing :</i> | This product was not tested on animals.                                                                                                             |

# ORANGER FLEUR CONCRETE

*Palm oil or palm oil derivatives :* Does not contain palm oil, palm oil derivatives, palm kernel oil or palm kernel oil derivatives.

## **REGULAR DATA FLAVOURS**

*Bovine Spongiform Encephalopathy (BSE) :* Free of BSE/TSE risks.

*Vegan :* Compliant with vegan principles

*Natural status (Reg. 1334/2008/EC) :* Flavouring preparation

*Food allergens (Reg. 1169/2011/EC) :* None

*Foodgrade certificate :* In compliance with Regulation (EC) 1334/2008

## **TRANSPORT - HANDLING - STORAGE**

*Shelf life :* 24 months, according to storage conditions

*Custom tariff :* 3301 29 49

*Storage :* Store at 25°C max. in tightly sealed original container. Avoid prolonged exposure to light, heat and air.

*Precautions of use :* Avoid any direct contact with the product.
